## Education

	University of Southern California, Los Angeles, CA, US Ph.D in Civil Engineering (Advisor : Patrick J. Lynett) - Dissertation Title : <i>Wave Induced Hydrodynamic Complexity and Transport in the</i> 1	Aug. 2012 Nearshore
	Texas A&M University, College Station, TX, US M.E. in Civil Engineering (Advisor : Patrick J. Lynett, relocated to USC) - Research Topic: <i>Coupled Numerical Model for Lifeline Tsunami Evolution</i>	Dec. 2011
	Seoul National University, Seoul, Korea M.S. in Civil, Urban and Geosystem Engineering (Advisor : Kyung-Duck Suh) - Thesis Title : <i>Calculation of Irregular Wave Reflection from Perforated-Wall Caisson</i>	Feb. 2002 Breakwaters
	Seoul National University, Seoul, Korea B.S. in Civil, Urban and Geosystem Engineering	Feb. 2000
Eı	nployments	
	Korea University, Seoul, Korea Assistant/Associate/Full Professor	Sep. 2015 - Present
	University of Southern California, Los Angeles, CA, USA Visiting Faculty	Jan. 2019 - Aug. 2019
	University of Ulsan, Ulsan, Korea Assistant Professor	Sep. 2013 - Aug. 2015
	University of Southern California, Los Angeles, CA, USA Postdoctoral Scholar - Research Associate	Sep. 2012 - Aug. 2013
	University of Southern California, Los Angeles, CA, USA Graduate Research Assistant	Sep. 2011 - Aug. 2012
	Oregon State University, Corvallis, OR, USA Visiting Graduate Researcher in O.H. Hinsdale Wave Research Laboratory - Performed experiments of solitary wave evolutions over a 3D shallow shelf (fu	May. 2009 - Jul. 2009 Inded by NSF)
	Texas A&M University, College Station, TX, USA Graduate Research Assistant	Aug. 2008 - Aug. 2011
	Hyundai Engineering & Construction Co., Korea Assistant Senior Engineer	Mar. 2002 - Jul. 2008

# Certificates

Professional Engineer (#79108PE), OR, USA	since 2007
Information Processing Engineer, Korea	since 1999

# Editorial Services for SCIE-indexed Journals

Section Editor, Geoscience Letters	since Dec. 2023
Associate Editor, Journal of Hydro-environment Research	since Mar. 2022
Associate Editor, Coastal Engineering Journal	since Jul. 2019
Topical Editor, Applied Sciences	since Jul. 2021
Guest Editor, Journal of Marine Science and Engineering	July 2019

# International Conference Organization and Service

Local Organization Committee, Seoul, Korea, 9th International Symposium on Environmental Hydraulics (ISEH)	Jul. 2021
Local Organization Committee, Busan, Korea, International Coastal Symposium (ICS)	May. 2018
International Coastal Engineering Committee & TPC member International Society of Offshore & Polar Engineering Conference (ISOPE)	since 2018
Local Organization Committee, Incheon, Korea, International Conference on Hydroinformatics (HIC)	Aug. 2016

## Honors and Awards

President's Commendation Korea Society of Civil Engineers, Korea	Dec. 2020
President's Commendation Korea Water Resource Association, Korea	May 2020
Best Paper Awards, KOSHAM Annual Conference Korean Society of Hazard Mitigation, Korea	Feb. 2019
Minister's Commendation for Supporting Services of Hazards Mitigation Ministry of the Interior and Safety, Korea	Jan. 2019
Best Paper Awards, KSCE Annual Conference Korean Society of Civil Engineers, Korea	Oct. 2018
Best Presentation Awards, KWRA Annual Conference Korean Water Resource Association, Korea	May 2017
Best Paper Awards, KSCDP Annual Conference Korean Society of Coastal Disaster Prevention, Korea	Nov. 2015

Best Paper Awards, KSCOE Fall Conference Korea Society of Coastal and Ocean Engineers, Korea	Oct. 2013
Chester P. Jelesnianski Scholarship Zachry Department of Civil Engineering, Texas A&M University	2010-2011
Joseph A. Orr. Fellowship Zachry Department of Civil Engineering, Texas A&M University	2008-2009
Scholarship Assistance Seoul National University, Korea	1997-1999

## Professional Memberships

American Society of Civil Engineers(ASCE) | Coasts, Oceans, Ports and Rivers Institute(COPRI) | American Geophysical Union(AGU) | European Geosciences Union(EGU) | International Associationof Hydraulic Engineering and Research(IAHR) | Coastal Eduation & Research Foundation(CERF) | International Society of Offshore & Polar Engineering(ISOPE) | Korean Society of Civil Engineers(KSCE) | Korean Water Resource Association(KWRA) | Korean Society of Coastal and Ocean Engineers(KSCOE) | Korean Society of Hazard Mitigation(KOSHAM) | Korean Wetland Society (KWS) | Korean Society of Ocean Engineers(KSOE)

#### **Research Interests**

#### High-performance, Immersive Numerical Modelling of Ocean Waves with Multi-scales

- Development of hybrid-architectural/parallelized/GPU-accelerated/immersive model for coastal processes by long waves.

#### Turbulence-dominant Processes in the Nearshore

- Study on the physical diversity in estuarine flows such as wave-current interaction, freshwaterseawater mixing, wave breaking, wave-bottom interaction

#### Tsunamis and Storm Surges Modeling with an Advanced Accuracy and Efficiency

- Improvement of tsunami modeling tool with better physical understanding, numerical skills and high-performance computing system. In particular, coupling between hydrostatic and hydrodynamic models is of interest.

#### Modelling Sediment Transport by Shallow, Dispersive and Turbulent Flows

- Numerical study on sediment transport by long waves using a depth-integrated 2D approach
